

A note on sharing information: DATT Summit cares about the privacy of our attendees, sponsors, and demonstrators. We would never sell a list with your contact information to anyone without your expressed permission. **If you have received an email from anyone that is not DATT Summit or Ulyssix, it is SPAM and should be ignored.** We did not do 'DATT!' We value our relationship with you and do not want to damage it in anyway.

All of us at DATT Summit and Ulyssix hope you are well and staying safe at this surreal time in our lives. It's a particularly sad and frustrating week for the DATT team as we were all suppose to be at the Rosen Centre enjoying the comradery, the buzz in the demonstrator lab, and the heavenly scent of the buttery cinnamon rolls the Rosen created just for DATT Summit. However, we are looking forward to safer times and cannot wait until we can all be together again. DATT Summit is currently settling on new dates (late spring 2022) with the Rosen Centre. While it is tentative at this point, as soon as we have definite dates, we will pass that information along.

Please take care and we look forward to be able to share our next DATT Summit with you. Email [christina@dattsummit.com](mailto:christina@dattsummit.com) if you have any questions.
