It's DATT Time!

Registration for DATT Summit 2020 is **NOW** open. DATT Summit 2020 takes place May 11-14, 2020 at the Rosen Centre Hotel in Orlando, FL. To register as an attendee, click here.

WHY DO DATT?

Because….

- Keynote Speaker – DATT Summit team is excited to announce James A. Faist as our keynote speaker. Mr. Faist is the Director of Defense Research and Engineering for Advanced Capabilities, reporting directly to Dr. Michael Griffin, the Under Secretary of Defense Research and Engineering, within the Office of the Secretary of Defense. Mr. Faist directs an organization whose mission is to recognize, explore, and accelerate the development and integration of new technology to maintain U.S. technological superiority.

- DATT Summit offers 7 Test and Telemetry Educational Workshop Tracks:
  - Test/Telemetry Engineering
  - Airborne Telemetry
  - Ground Telemetry
  - Ground Testing and Evaluation
  - Telemetry Techniques of Active Programs on the Ranges
  - GPS/Timing/Video
  - Telemetry Fundamentals and Methods

- DATT Summit Workshops are taught by the best SMEEs (Subject Matter Expert Educators) working in the Test and Telemetry industry - DoD Contractors, NASA Engineers, and commercial industry gurus. For more workshop and SMEE information, visit DATT 2020 Educational Workshops. New sessions are still being added, so check back often.

- DATT Summit Demonstration Lab is where you will find top industry vendors (demonstrators) who can provide you with information and full product demonstrations of the latest innovations in hardware, software, components, and other tools needed to get your job done.

- DATT Summit Networking Opportunities – Join us at the DATT Summit 2020 Welcome to DATT 2020 reception, the Pizza and Possibilities (and beer) event, and/or spend the evening with us under the Space Shuttle Atlantis* at the Kennedy Space Visitor Center (back by popular demand); more opportunities where you can grab a bite and keep the conversations rolling.
  - *This event is totally awesome, but it does require an additionally paid ticket.

- Papers – DATT Summit offers you the opportunity to present and share your research/development program with other DATT attendees and demonstrators. To present your paper and/or to help justify your attendance at DATT Summit, please submit your presentation proposal to papers@dattsummit.com by March 31, 2020.

SO, WHY DO DATT?

Because…

- DATT Summit is the only place where you will find test and telemetry training workshop tracks to educate, enhance, and advance your career in test and telemetry.

- DATT Summit is the place where you can find the answers and the product solutions you need to get your job done.

- DATT Summit is the place to hear from keynote speakers who are world leaders in research and development.

- DATT Summit is the place that will have delicious cinnamon rolls at the keynote presentations;) Just checking to see if you are still reading.
